A WELCOME TO OUR NEW DIRECTOR

The Trustees are pleased to announce that Adam Di Filippo is our new Library Director. Adam has considerable experience working at several local libraries including Pease and Minot-Sleeper. He is especially knowledgeable about library technology and how to use technology to serve the local community. We are very grateful to Deborah Thouin who stepped in as Interim Library Director for the past three months. Deborah will continue in her role as Children's Librarian. Please stop by the library to welcome Adam, and to thank Deborah.

Winter Weather is Still Here!

Occasionally the Library needs to close or change its hours of operation as a result of inclement weather. How will you know when we are closed? Check the Library's website or the WMUR Closings & Delays List.

As always, watch carefully on sidewalks, stairs, and parking lots for ice and snow! There even could be falling snow and ice from the roof. Do note that the library's deck is closed for the winter.

We want our patrons to be safe.

Wednesday Evening Hours Are Back!

Once again our Wednesday hours are 9 a.m. to 7 p.m. Come on in and browse the collection or sit back and read the newspaper.
